| LinkedIn: linkedin.com/in/ | GitHub: github.com/sohan-29

Summary:

Frontend Development Intern with a strong grasp of modern web technologies and a passion for building responsive, user-friendly interfaces. Skilled in HTML, CSS, JavaScript, and React, with hands-on experience developing dynamic projects and collaborating via GitHub. Demonstrates a keen eye for design and usability, translating concepts into clean, functional code. Committed to continuous learning and contributing to innovative development teams. Seeking opportunities to apply technical skills and grow through real-world challenges in frontend engineering.

Education:

Anil Neerukonda Institute Of Technology & Science (2025-2028)

Bachelor of Technology - BTech in Computer Science.

Government Polytechnic Srikakulam (2022-2025)

Diploma in Computer Engineering

Skills:

React.js, Javascript, HTML, CSS, Tailwind CSS, Git & Github, Figma, Programming languages (C, C++, java, python)

Experience:

Thoughtworks — Hyderabad, Telangana

Frontend Development Apprentice (Jun 2024 – Nov 2024)

Gained exposure to the software development lifecycle in an agile environment. Learned best practices in coding, testing, and version control system. Improved technical and collaborative skills in a professional environment

Projects:

Smart Resume Builder AI - a dynamic resume builder using React and Tailwind CSS. Features include live preview, ATS-friendly formatting, and PDF export. Focused on responsive design, clean UI, and modular code structure.

NCC Management System - a web-based tool to manage college NCC student data and activity records. Streamlined tracking of participation, events, and performance using structured forms and database integration.

GPT College Website - Designed and developed a responsive website to represent the college online. Showcased departments, events, and student achievements with clean navigation and modern UI components.
